

Tasting Notes

WJ KING

200 YEARS OF LOCAL BREWING HERITAGE

Red River Ale 4.8% ABV

Colour:
Reddish-brown

Aroma:
Fruity, caramel, dry hoppiness

Taste:
Metallic, nutty

Aftertaste:
Dry hops

This premium bitter, good to its name, has an enticing reddish hue. The aroma has vine fruits with a hint of caramel toffee from the aromatic malt and a nod towards the hoppiness to come. Red River has a smooth, full mouthfeel and an initial taste of almonds and some metallic flavour from the hops. There's a good malt and hop balance and just enough alcohol warmth for the strength. As the taste develops the hoppiness grows with a long lingering bitter aftertaste with hints of pine and spice.

Head Brewers Notes:

'High malt tones with an enticing reddish hue' Ian Burgess, Head Brewer.
