Spring Ale

4.1% ABV

Colour:  
Amber

Aroma:  
Soft hop

Taste:  
Light refreshing

Aftertaste:  
Fresh lemony palate

Spring Ale is the ale we brew to herald the start of Spring. The beer is clean drinking with a wonderful hop flavour and aroma. It is a beautiful amber colour. Spring Ale is a light and fruity beer with a great balance between malt and hop character.

Head Brewers Notes:

**‘Evokes the essence of Spring  
- bright nights, trees heavy  
with blossom, lazy bank holidays’  
Ian Burgess, Head Brewer.**
