

Tasting Notes

WJ KING

200 YEARS OF LOCAL BREWING HERITAGE

Kings Wheat Mash 5.1% ABV

Colour:
Light orange

Aroma:
Banana, bubblegum

Taste:
Smooth, citrus, sharp edge

Aftertaste:
Dry, hint of bubblegum

This is a cask version of a continental classic. Brewed with the ingredients traditionally and proportionally used in a German wheat beer, there's the marriage of two great traditions here in a glass.

The colour is light orange. The aroma has the banana and bubblegum you'd expect in a wheat beer. One sip and the silky mouthfeel from the wheat gives way to citrus lemon flavours and a characteristic sharp tanginess again typical of this style of beer. The aftertaste dries out somewhat and comes full circle with a hint of bubblegum reminding the drinker of that classic aroma and flavour.

Head Brewers Notes:

'A future classic ,Germanic style with lots of fruity esters and a citrus twist.'
Ian Burgess, Head Brewer.
