200 YEARS OF LOCAL BREWING HERITAGE

Autumn Mist

4.1% ABV

**Colour:**  
Red Amber

**Aroma:**  
Leafy hops

**Taste:**  
Lingering malty after-palate

**Aftertaste:**  
Full, smooth, building peat character

Autumn Mist takes you gently from the traditional fresh hop of Autumnal ales whilst you await the darker winter beers. Made with the gryst of malt and wheat for a long finished palate. The best English hops bring this beer to life.

Head Brewers Notes:

**‘A gentle transition to heavier winter beers’**

Ian Burgess, Head Brewer.
